

New Era Bereavement Support Groups

Hello September, the first month of autumn.
Who is ready for the cosy one this season?

August just flew by, but we still managed to get together on a few occasions.

Our sunset walk in Warley place continued, with the pub surprisingly closed
Graham (our hero) invited everyone to his home for a late evening of wine
and conversations, what a legend he is!

On the 10th of August it was time for a Sunday roast at Toby carvery, 17 of you got together
on that Sunday and enjoyed the food and conversations

Please let me know if you like me to book another Sunday lunch for you

Billericay New Era group enjoyed the outdoor on the last meeting with a simple game played whilst Brentwood New Era also enjoyed the outdoor for a few games and an ice cream after Susan from the Rotary club had told us a bit of what the Rotary club is.

Billericay New Era mentioned for the Christmas lunch to be local to Billericay so our lunch will be at the lovely Kings Head on Southend Road

Brentwood New Era Christmas meal will be held at Masons on the 3rd of December.

Please note that all are welcome to either of them or both,
I just need to know so I can arrange space.

Save the date for Bennetts Carols & Candlelight service at the Regimental Chapel,
Brentwood.

Thursday 4th of December at 6pm
Regimental Chapel,
Warley, CM13 3UJ

Bennetts Carols & Candlelight service in Billericay to be confirmed!

Next meeting in September both Billericay and Brentwood guys, could I ask you all to bring in a photo of yourself from back in the day, keep them secret as I thought we then could have a guessing game, just hand them to me when you arrive.

Also, Anna's bingo bingo will be on!

Another suggestion is Brentwood Museum and lunch after at Thatcher's Arms.
Let me know if you like any of those suggestions.

Below and also on the next page there are a few options of things to do

Hope to see you all soon!

Matt Forde: Defying Calamity

In his biggest live tour to date leading political comedian Matt Forde (*The Royal Variety Performance*, *Spitting Image*, *HIGHFY*, *British Scandal*) finds positivity in life despite all the evidence to the contrary in politics and his own health.

"The most topically incisive impersonator on the block... It's laugh-a-minute stuff, underpinned by the kind of wisdom and natural resilience our leaders could learn from. He was always impressive, but he deserves his inevitable standing-ovation as never before."
